A black and white photograph of a textured surface, possibly a book cover or endpaper. The surface is covered in a dense pattern of small black dots. These dots are arranged to form a large, stylized, abstract shape that resembles a 'C' or a large letter 'G'. The shape is composed of many small, irregular dots, giving it a grainy, textured appearance. The background is a light, off-white color, and the overall effect is one of a high-contrast, abstract design.

Because of her dedication to us as students, we dedicate this our 1967 Warrior, to Miss M. Catherine Richardson.

Miss Richardson has long been dedicated to the students at Westhill High School. Both in the classroom and as advisor to our Student Council, she has guided and encouraged the students to become a unified body working with the faculty to better our school.

It is largely due to her faith in the students that many things have been accomplished here. For it is through the faith of teachers such as she that new ideas are born—and successfully acted upon.

To Miss Richardson we wish the best the future has to offer, and hope the sincere interest she has shown in us will be passed on to our successors—a legacy of which they may be as proud as we.

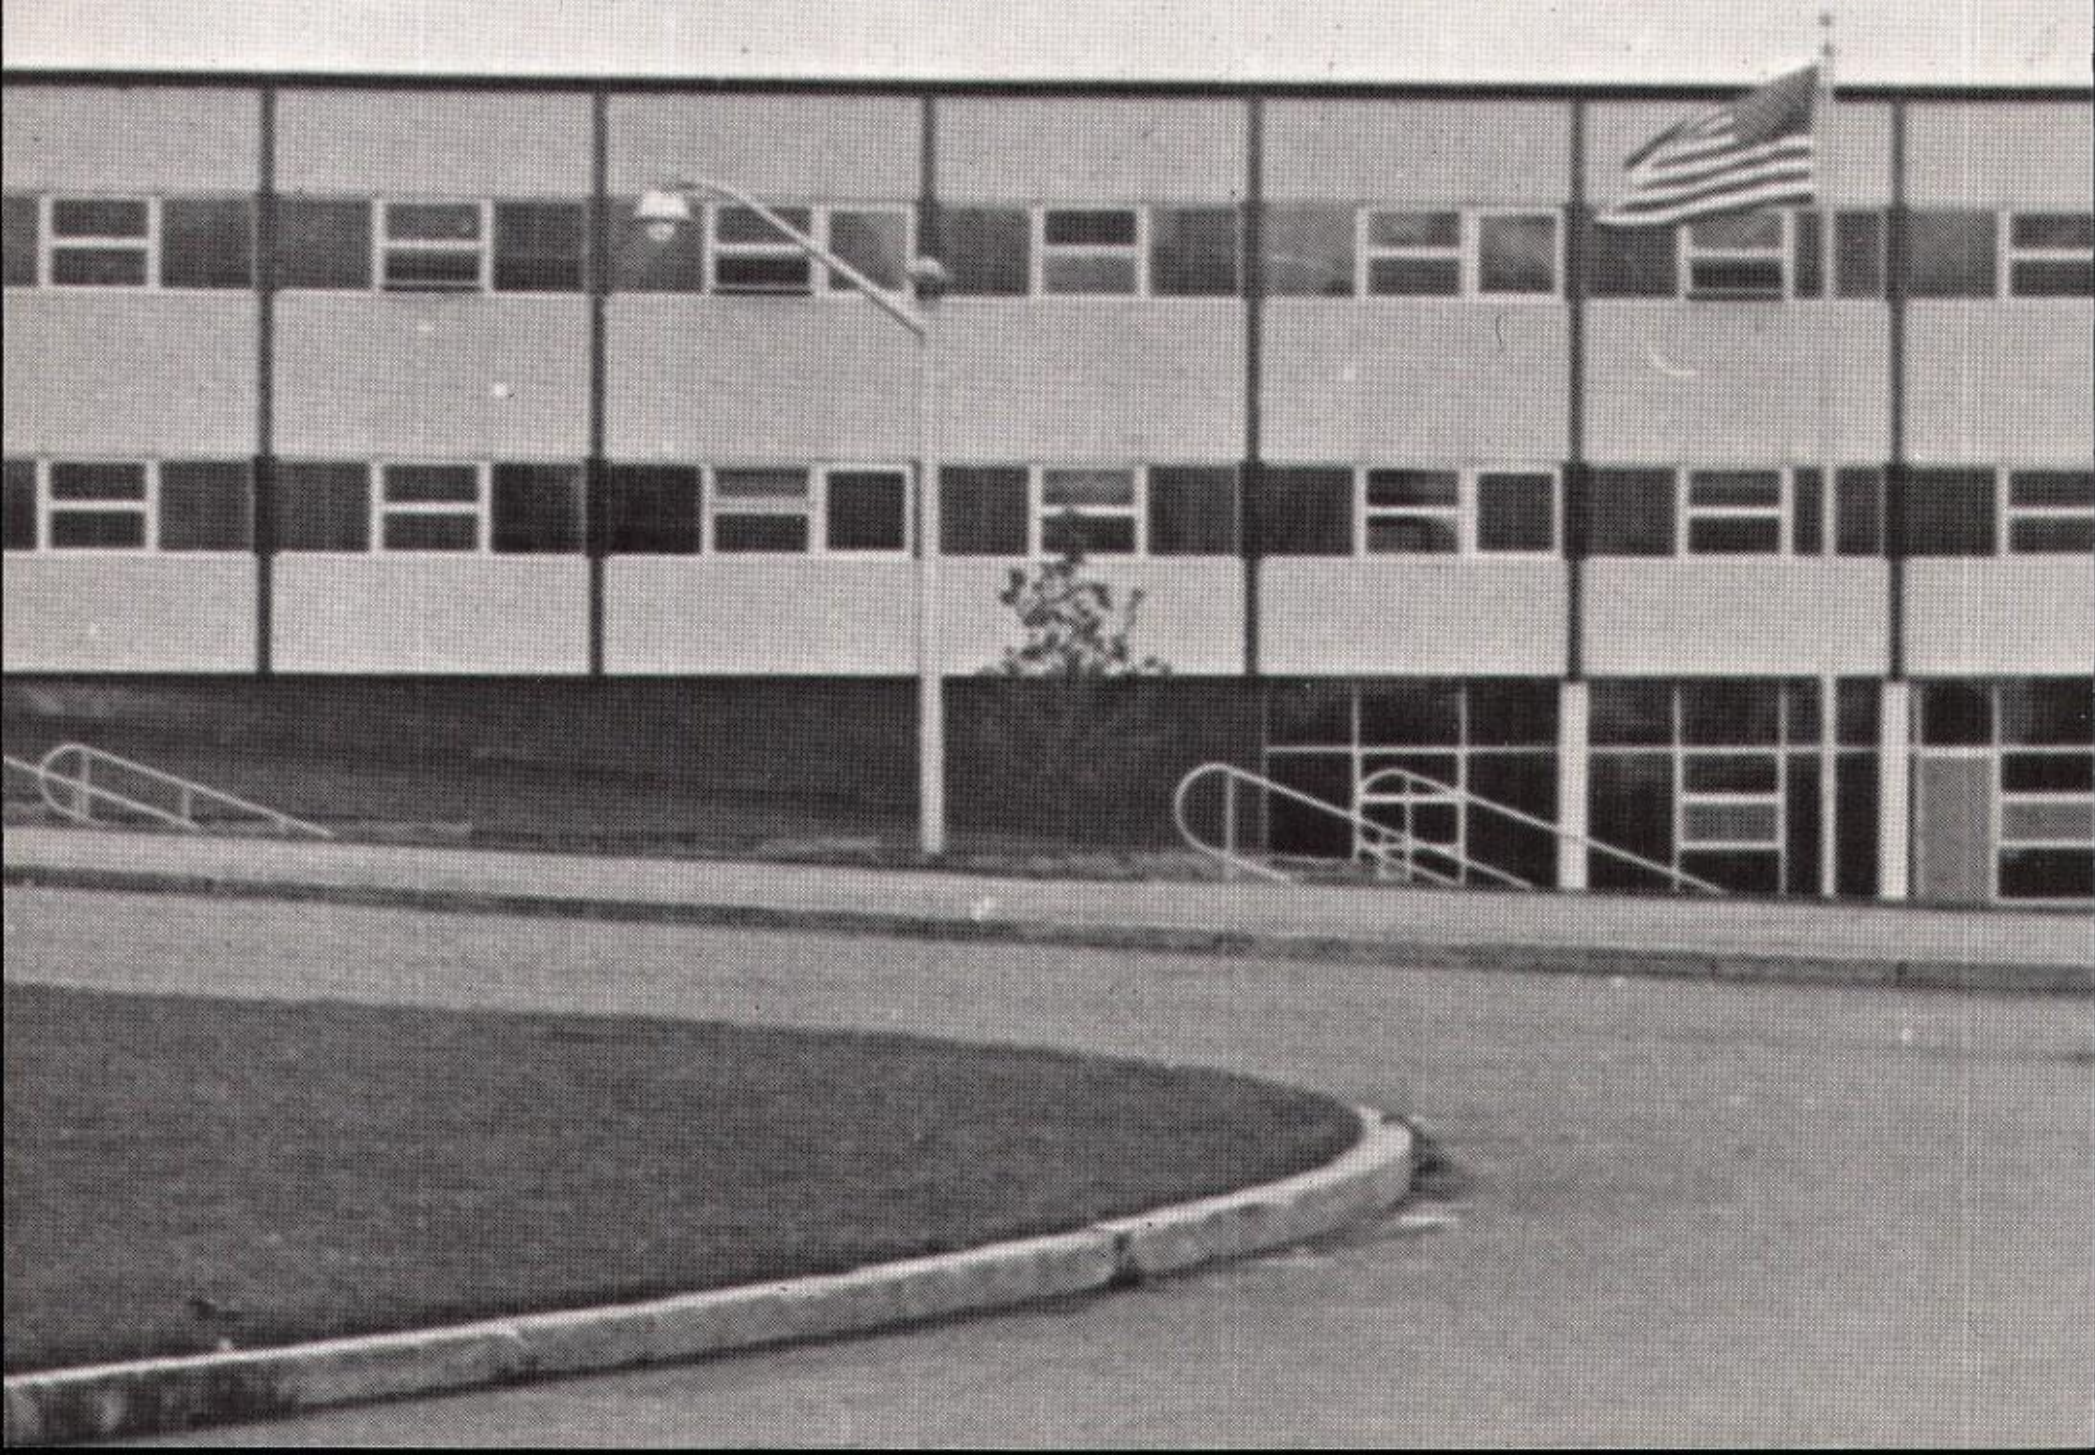

ALMA MATER

*Among the tall and verdant hills,
All clothed in majesty;
Oh, gracious Alma Mater, you stand,
Thy beauty for all to see.*

*We come to thee with open thought,
In quest of knowledge pure,
We ask thy light be shined on us,
Our wisdom to nurture.*

*All hail to thee fair Westhill;
Thy fame we acclaim;
And sing out in praises
Thy glorious name.*

FACULTY

DISTRICT PRINCIPAL

Dr. Harold N. Langlitz

Dr. Langlitz, our former District Principal, shares an important distinction with this year's seniors. He and they arrived at Westhill at approximately the same time—he as the school's first principal and they as the school's first seventh graders.

Now, as the first graduating class to progress through Westhill's complete six-year program, Dr. Langlitz has also graduated. For he left us recently to accept the position as Secretary to the New York State Teachers Retirement Board.

With Dr. Langlitz go the best wishes of those who remember him and the birth of Westhill. We hope that he will look back with fond remembrance on the days when he was the principal—and we the students—of a half-completed high school.

ADMINISTRATORS

TO THE STUDENTS:

Your years at Westhill most certainly occur at a time in your life which is of crucial importance to your intellectual and emotional development. It is my sincere hope that you have profited much from your experiences here and that you have chosen wisely from among the array of opportunities and alternatives available to you. Never run the risk of underestimating your importance as an individual. In a very real sense, the very foundations of our society may be influenced by your willingness and ability to make responsible and wise decisions. For those of you who are leaving our school this year, you may be assured that our best wishes and prayers go with you.

SENIORS

POMEROY PENTON

SENIOR CLASS OFFICERS

*Geoff Christoff, treasurer; Janet Biesemeyer, vice-president;
Jim Hofmann, president; Patty Herbig, secretary.*

Six years ago, the present senior class entered the school as frightened, bewildered seventh graders. That first year was chaotic, with only the academic wing of the building finished and construction continuing from September through June. Assemblies were held in the halls, lunches were eaten in homerooms, and our 'library' was housed in the present A-V room.

During the next couple of years, Westhill's character began to develop. Our class had a hand in the formation of traditions that have lasted. We voted for a team name--the contest was between our now-famous 'Warriors' and the 'Westhill Zephyrs.' After initial defeats, the school finally approved a constitution for the student council. We have participated in the first Moving-Up-Day, the first singing of the alma mater, the first dress-up days and the first school dances at Westhill.

This June, our class will take part in another 'first'--we will be the first graduating class to have passed through all six years at Westhill. The class of '67 is able to look back at high school with the knowledge that we have helped to form the character of our school.

Westhill Student Council

As a class, this year's Seniors have accomplished many things. Although you have had many obstacles to overcome that previous senior classes haven't, you have come through with an effort that has proved most worthwhile. But what's more important, you have accomplished a great deal as "just plain students". You are the ones that kept order in the cafeteria. You are the ones that led our athletic teams to respectable showings in a new, tougher league. You are the ones that are primarily responsible for the success of Student Council and all the other activities within our school. In fact, you are responsible for the general atmosphere at Westhill this year.

As you are responsible for Westhill's many successes, you are also responsible for some of Westhill's failures. We hope you look back upon these failures not bitterly, but with the hope that through these failures we have all learned something.

Student Council was more than just the Senior Class. Many underclassmen did a great amount of work in Student Council. More underclassmen were involved in Student Council than ever before. But the primary reason for this involvement is the guidance that this year's Senior Class has given the rest of the students at Westhill. This has led to an atmosphere that Westhill has needed in the past and needs more of in the future. When you look back on your senior year, we hope you will deem this your most important accomplishment.

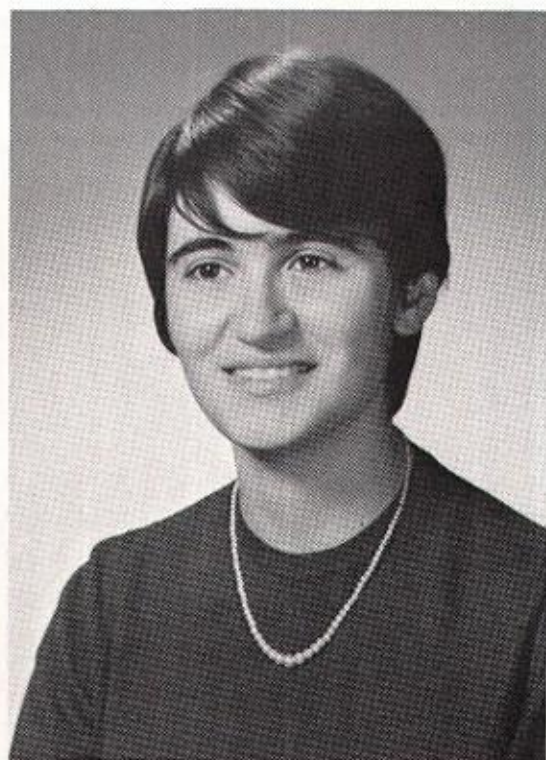

We take this opportunity to thank and congratulate you for doing more for Westhill in one year than any preceding class.

STUDENT COUNCIL

OFFICERS—left to right: P. Bunn, P. Carrigan, J. Sauda, B. Christy.

Here's a swell bunch of kids. They're the ones who make possible student activity cards, variety shows, assemblies, dances, and the right for the existence of all the other clubs and organizations of the school. Constantly trying to promote better student-teacher relationships, the student council is the nerve center of Westhill. Thanks go to Pat Carrigan and his fellow officers: we had a great year—good luck to next year's officers!

These are the people who are responsible for what you are reading right now. If you like it, they deserve your congratulations. If you're not so keen about it, they're the ones who must shoulder the blame.

To paraphrase the diamond ad: "A yearbook is forever."—well, maybe not forever, but at least for a good part of the student's life after he graduates. Like wines, some yearbooks are better than others. The staff hopes you will consider 1967 a vintage year.

KEY CLUB

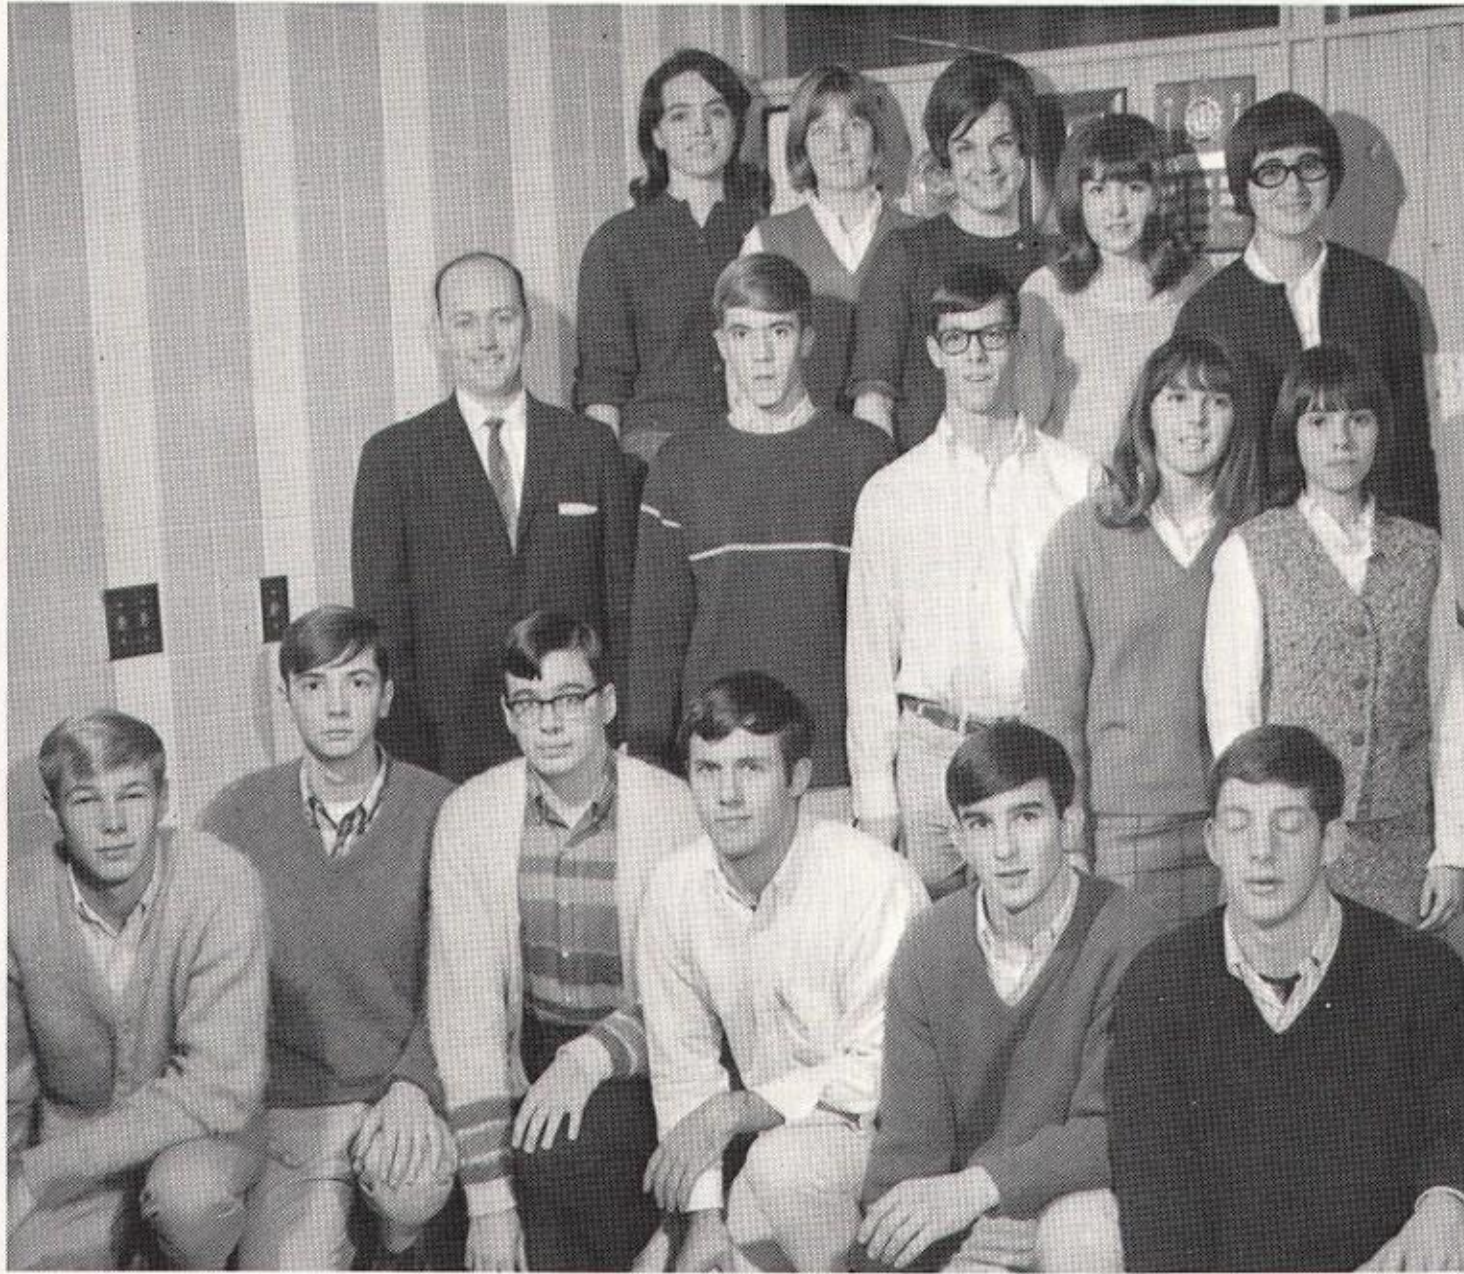

ROW A: T. Smith, Treasurer; E. Geehr, Lt. Governor; C. Carrigan, Secretary; P. King, President; R. Sutter, Vice-President. ROW B: B. Widas, J. Kadamus, D. Maione, J. Sanborn, B. Bratt, T. Tyler, R. Ceckowski, J. Gallagher, M. Bruet, J. Buhl, R. Dewitt, J. MacBeth, J. Parsons, D. Gabri, M. Jones, Mr. R. Bronk.

Being the largest group of boys that are together all year, the Key Clubbers can do—and surely do do—a lot of work—like candy sales, Christmas projects, etc. The Bunny? That just goes to show that they're really boys, initiating such things as shaving cream fights, dark-night hay rides, etc. The key is to the club—the Key Club, of course. But don't let it disillusion you: they're really a hard-working group—smart, too.

NATIONAL HONOR SOCIETY

ROW A: J. MacBeth, D. Crosby, E. Arnold, E. Geehr, W. Long, P. King. ROW B: Mr. Neilsen, T. Buhl, J. Kadamus, G. Zabel, D. Denick. ROW C: M. Godfrey, J. Biesemeyer, L. Cleveland, D. Sardo, A. Andrenacci.

The National Honor Society is a group of seniors chosen for their outstanding scholarship, leadership, service, and character. Each spring, the group inducts Juniors approved by the faculty into the society. These students hold key positions in the organizations of the school. They are concerned with the future as a reality related to the present. With this foresight, the members of this group should continue as the leaders of the future.

WESTHILL WORLD

EDITORS—ROW A: R. Sutter, J. Kadamus. ROW B: M. Wasnik, P. Kielar, W. Woolfort, R. Dewitt, M. Zales, T. Buhl.

To coin a phrase: "Happiness is . . . buying a Westhill World for only 15¢." That's only a part of the student paper at Westhill: and this is the gang that makes it to keep the student body in tip-top shape. They changed the layout, and the reporters' staff was extended to include one member of each club or group in the school. The World also gives you an insight on the human situation with feature articles, poems and other goodies. Now a Westhill tradition, the Westhill World is swinging at full blast.

SENIOR HIGH DRAMATICS

SENIOR OFFICERS--left to right: C. Cotett, K. Wroath, J. Biesemeyer.

Dramatics includes the acting and the production of plays--and West-hill's dramatics clubs are no exception. The senior chapter put on their annual play and had a real ball. Seen a play lately?

They're on the move this year at Westhill with book sales, bake sales, Spanish Dinners--food and singers included--and a whale of a trip to New York City to see "The Man From La Mancha" in the early spring. AMERICAN FIELD SERVICE

Going places! The AFS-ers are going places. This year they made it possible to have Albina Andrenacci from Rome, Italy, come to the United States and Westhill. Their AFS Day was a big success as was the Tea and the party on AFS night. American Field Service going places makes foreigners friends.

OUR GIRL IN NORWAY

German game demonstrated at Norwegian camp.

Last summer, the Juliet Low World Friendship Fund, made up of contributions from Girl Scouts in the U.S.A., sponsored my trip to Norway and Iceland. My team of ten girls from the U.S. spent three and a half weeks in Norway—living with families in Oslo, attending the National Guide Camp in Arendal, and touring the country by bus. In Iceland, we enjoyed the national camp, which was co-ed, and a week's stay with families in Reykjavik. The summer helped us to discover the international sisterhood of girls that exists through Scouting.

Janet Biesemeyer

R.R., TTT*

Merhaba, Kardeslar (Hello, students). On June 20, 1966, I left home for an AFS trip to Turkey, due to return September 12, 1966. While there, I stayed at Gazientep with the Guner family. The family consisted of the father, Ali; the mother, Fatma; and three sons; Atilla, Aktay, and Cemil, who were aged 19, 18, and 15, respectively.

During my stay in Turkey, I made several side-trips throughout the country, spending one week each in Ankora, the country's capital; Istanbul; Arsuz, on the Mediterranean; and Malatya, in the mountains.

My knowledge of the language upon arrival in Turkey was somewhat limited, although aboard ship on the way there, we were given about twenty-four class hours of instruction. Many other words I learned when I got there--the hard way (by first being embarrassed and then being set straight by my Turkish father or brothers)!

OUR ROAMIN' ROMAN

Albina Andrenacci is our 18-year-old AFS student from Rome, Italy. There she lives in an apartment with her parents and four brothers. Here, she lives with Jean Sauda and her family.

After graduation, she is scheduled to tour the United States with a group of AFS students from various countries. Then she will return to Italy, where she will share with her people the experiences and insights which she has gained in our nation.

We welcome Albina and hope her stay at Westhill has been as enjoyable and as profitable for her as it has been for us. For future years, we wish Albina a happy and meaningful life.

SEMINAR CLUB

Most people think of Seminar Club as a discussion group or else they don't think about it at all. For those that think, you're right—it's a discussion group. They talk about everything from the war in Viet Nam to the darts in the cafeteria ceiling. Seminar is: Discussions unlimited.

Chess is one of the very best ways of exercising one's mind—a preoccupation too often neglected in our "tone down excellence" society. It develops concentration, a knowledge of strategy, and severe eye-strain. You can tell these boys are on their way up.

How to get rid of your teachers fast! (Donna Lovelace gives Mr. Bechard a ride.)

Linda LoBello demonstrates a hip throw with Chris Hughlock.

Hi-yaaaah! Wham! Suddenly you see someone flying through the air without the greatest of ease and then they land. pow! quite gracefully. That's what Judo is all about: the art of graceful fighting. Unlike other fighting sports, it's a test of one's ability to outsmart the other guy and land him first. Judo isn't a sport for prizes, though. It mainly concerns itself with developing coordination, and making one think quickly. Most important, Judo is an art of self-defense. Loud yells and a lot of banging coming from the gym, you say? That must be the Judo Club!

Westhill's entry into the Northern Division was not a success record-wise, but the Warrior's made it known that they were no push-overs. Many games were decided by narrow margins or last second plays. The feelings of all the coaches and players in the Northern Division were echoed by the B'ville coach: "This was the hardest hitting team we've faced in over ten years!"

All-County selections from Westhill were hard-hitting Tom Stone and powerful 230 lbs tackle Tom Davitt.

Westhill went undefeated to win its 3rd straight Southern Division Championship and became Co-Champs of the County. Starting the season by winning the Section III Relay Carnival, Coach Ed McCardle's trackmen won the County Championships, scoring 44 more points than the next closest team.

In the Sectional meet, Westhill placed 3rd and sent the 880 yd. relay team and Nelson Greenfield in the triple jump to the State meet.

This year, Westhill enters the Northern Division, and there is great speculation that they can repeat as Champions.

This, our 1967 Warrior, is an attempt to bring to the students of Westhill a school year in print. It is the result of many ideas materialized through hours of hard work. To some, this book represents their last year at Westhill; to others, their first; yet to all, it is not only a book of people, but of memories which will long linger in the minds developed at Westhill. I hope you will find this yearbook the "Best Ever."

I would like to thank all the people who made this book possible, especially:

Mr. Wells, our faculty advisor

Mr. Eyman, our Senior Section advisor

Wally Long, Jeff Carl, Jim Parsons, Alice Lewandowski, and Linda Mancino, editors

Mary Smallwood, Business Manager

John Manion and Mike Wasnik for their help in photography and other areas

The Office Staff and Mrs. Buhl for their patience through countless interruptions

The group of people who gave much of their time to the book, even though they were not on the staff.

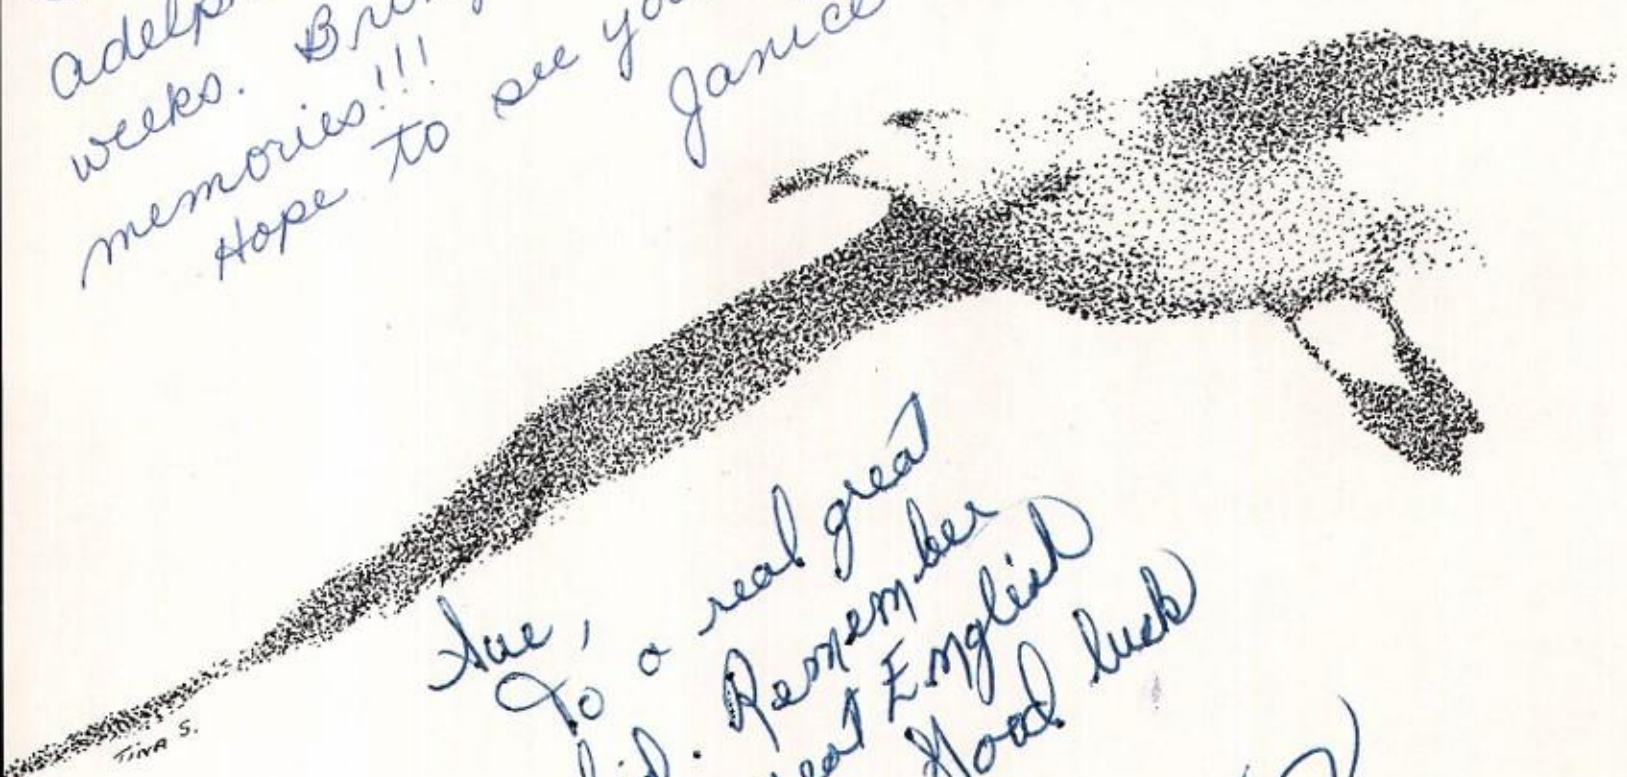

Sincerely,

Eric Arnold

Editor-in-Chief
